

Registration for LEJOG 3535

- As with any BIG event that takes place on public roads, each participant is fully responsible for his own safety and should obey in detail the official traffic rules.
- Each participant takes care of his own bike with lights.
- Each participant can register for the event per day, so not all participants will participate the whole journey.
- Each participant takes care of transportation to the starting point: The Cove Hotel, Lamorna Cove, Penzance TR19 6XH. Of course we promote travelling together.
- Each participant also takes care of transport from the last hotel back home. Of course the support-cars can be used as far as possible.
- The event starts on Saturday, August 29th at 17:00 h with a bike ride of about 27 km to Lands End. After the ride there is from 19:00 h opportunity to use a meal at the Lamorna Wink restaurant which is near to Lamorna Cove Hotel.
- Each participant is responsible for being familiar with the route. In fact this means that each participant must have his own navigation system. Open runner files are available and published on the BIG-website.
- The organisation provides two support vehicles to carry the luggage to the next hotel and which in case of emergency or bad weather can be invoked for transfer to the next hotel. For both vehicles a volunteer driver is available.
- The costs include hotel costs, costs of the support car and expenses for food and drinks and if you want the specially for this project designed cycling jersey.
 - Hotel costs are known per night and must be prepaid, if you want to do the total journey of 3 weeks, hotelcosts are € 800,-
 - Cost of support-car are estimated and calculated per day: every day you cycle with us you have to pay a sum of € 20,- for the support car which also takes your luggage to the next hotel. In case the number of participants is different from our calculation, this amount might change: less participants means a higher amount, more participants means a lower amount.
 - Breakfast is often included in the hotel costs as well as the evening meal in 5 hostels.
 - Other meals are at own expense. The organisation has made reservations at nearby restaurants but if you join us for dinner that is your own decision.
 - For lunch and refreshments during the day the drivers will do some shopping. For this the drivers manage a wallet filled by the participants.
 - The bike shirt costs € 50,-
- If you want to register, please contact the organisation who can calculate the costs for the duration you want to participate.
- Directly at registration (but after 1th of January 2020) you have to do an advance payment of € 500, - to bank account NL12 ASNB 0785 7890 22 (BIC: ASNBNL21) in the name of Christiaan Weytmans, Berkel-Enschot, The Netherlands.
